

POLICY 37 – INFORMATION REGARDING PERFORMANCE ON CCI EXAMINATIONS

Only Candidates who are successful on the are awarded the credential.

The credentialing examinations are criterion-referenced. The pass score is determined through psychometrically accepted standard-setting procedures.

Information given to a Candidate regarding their performance on a CCI examination is limited to, but may not include the following:

- “Pass” / “Fail”
 - Score on the entire examination, in scaled score format, **ONLY** if Failed
- Percent correct within each subject category, for candidates who pass and candidates who fail.
